The Deputy Director of Central Intelligence

Washington, D. C. 20505

DDI - 02696/84

/1 attached

9 MAY 1984

MEMORANDUM FOR: Lieutenant General Lincoln D. Faurer, USAF
Director, National Security Agency

SUBJECT: Continued NSA Representation on the Intelligence
Producers Council Staff

1. The rotational assignment of [] the NSA staff representative to the Intelligence Producers Council (IPC), will be completed in mid-September. During his time with the IPC, [] has participated in important Community activities, and has made significant contributions. His support to emergency planning is especially noteworthy, as is his work on a recent new project--a study of US intelligence exchanges with foreign liaison. In all of his work [] has demonstrated good judgment, a thorough understanding of the intelligence process, and a fine sensitivity to the various points of view of intelligence agencies.

2. The IPC has made considerable progress during the past two years in support of the DCI, the IC Staff, and the collection planners, as well as the intelligence producers. Much of the credit for our accomplishments goes to the IPC Staff, comprised of NSA, CIA, and DIA members, for their excellent conduct of day-to-day operations and liaison. [] has shown himself to be a very effective member of the staff. Since he is heavily involved in a number of projects, I invite you to select a successor for [] in sufficient time to permit an orderly turnover of responsibilities.

9 MAY 1984

MEMORANDUM FOR: Lieutenant General James A. Williams, USA
Director, Defense Intelligence Agency

SUBJECT: Continued DIA Representation on the Intelligence
Producers Council Staff

1. The rotational assignment of [] the DIA staff representative to the Intelligence Producers Council (IPC), will be completed in mid-September. During his time with the IPC, [] has demonstrated remarkable versatility and energy, together with the excellent judgment and instincts of a really fine staff officer. He has made important contributions in a number of areas, such as exchanges of internal research, coordination of external research, management of the production enhancements program, emergency planning, and long-range intelligence requirements. [] is an extremely effective representative of your agency and has served as a useful point of contact in a variety of matters. The effects of [] work will be felt and appreciated long after his departure.

2. The IPC has made considerable progress during the past two years in support of the DCI, the IC Staff, and the collection planners, as well as the intelligence producers. Much of the credit for our accomplishments goes to the IPC Staff, comprised of DIA, CIA, and NSA members, for their excellent conduct of day-to-day operations and liaison. [] has been with the IPC almost from its inception, and certainly [] is a key ingredient in the progress we have seen. Since he is heavily involved in a number of projects, I invite you to select a successor for [] in sufficient time to permit an orderly turnover of responsibilities.
